

Make the next move concrete.

Constraint

Our lowest dimension is...

One workflow

We will examine...

Baseline

Today it takes, costs, or produces...

Automate

A repeatable preparation or follow-through step is...

Augment

AI could suggest or draft... for a person to check.

Keep human

A named person must decide or approve...

30-day experiment

We will test...

Owner

The accountable person is...

Stop/scale rule

If... we will stop, revise, or scale.

People promise

During this change, no one becomes invisible because...

Start with your lowest dimension. If dimensions tie, choose the one most relevant to your workflow.
